Frank Pirker Memorial Trophy

Earlier this year we lost our Skat brother and friend Frank Pirker. Frank loved playing skat and was always a tough competitor. Frank's widow Barbara was kind enough to donate some money to the Spree Asse in Frank's name. We decided to put that money towards a new trophy to honor Frank's memory.

The trophy will be handed out annually to the Skat team of the year. We currently award a trophy to the "Der Spieler des Jahres" or "Player of the year" which compiles the scores achieved during the Saskatoon, Edmonton, and Calgary tournaments. To win this prestigious new trophy; simply enter a team that will partake in all three competitions. The combined score of those teams will be tallied at the end of the Calgary tournament and the team with the highest total score will be crowned "Skat Team of the Year". Each player is allowed to play on one team only for the Skat team of the year. You can still enter other teams into each individual tournament.

Entry fees for this prestigious new award will be \$40.00 per team. So get your teams together for a chance to be the inaugural winner of this beautiful new trophy not to mention bragging rights for the next year.
